

## Celebrate with such fierce dancing the death of their institutions

The **Fiesta for life** against death will be an **audacious** intervention against the arms trade, alongside the many other actions planned for the day. Come in costumes. Think **pink** and **silver**. Bring drums, instruments, food and water to share, props, puppets, banners, circus skills, your blue suede shoes and your love of life.

**Meet: 12 noon, 11 September 2001**  
**Tidal Basin Rd, E16**

DLR Royal Victoria Dock  
DLR  Canning Town  
 West Ham

Ring for copies of a booklet on issues around the arms trade and globalisation, with maps and useful information. Use these ideas, words and images for your own local leaflets – and send us copies. **Get involved now**, especially in getting the word out locally and nationally, and making banners and other props.
