

**NEVER MIND THE BALLOTS...
RECLAIM THE STREETS!**

'Don't be a cog in the machine - be a spanner in the works!'

**TWO DAY FESTIVAL
OF RESISTANCE!**

SATURDAY 12TH AND SUNDAY 13TH APRIL

NEVER MIND THE BALLOTS... RECLAIM THE STREETS!

“With the increasingly meaningless ritual of the general election drawing near and with the main political parties committed to ‘more of the same’ or ‘tinkering with the details’ at best, what can be done by those with a vision of a liberated, green society? ‘Vote for the lesser evil?’ Work for change ‘inside the system?’

Reclaim The Streets believe there is another way: take direct action in the streets, in the fields and in the workplace, to halt the destruction and create a direct democracy in a free and ecological society.”
